

“Marriage Was Made In Heaven”

The special Creation of Adam and Eve is the foundation of the Church's teaching on Holy Marriage and the Family. The anti-culture of death is based on a denial of this fundamental doctrine. Please allow Hugh Owen, the convert son of Sir David Owen, the first Secretary General of International Planned Parenthood, to show you how to stop fighting the symptoms and identify and eradicate the roots of the anti-culture of death.

Mr. Owen directs the Kolbe Center for the Study of Creation which provides a forum for Catholic theologians, philosophers, and natural scientists all over the world who are dedicated to making sure that the evidence for and against the theory of evolution is made available to Church leaders and to the lay faithful. In the year of Darwin, Mr. Owen and his colleagues participated in four conferences on creation and evolution at major academic centers in Europe, including a conference at Gustav Siewerth Akademie in Germany which received the explicit blessing and encouragement of Pope Benedict XVI. Mr. Owen's presentation will deepen your faith in the wisdom and goodness of God and in the perfect harmony between natural science and divine revelation.
