

Creation, Evolution and the Crisis of Faith

The Traditional Catholic Doctrine of Creation and the Judgment
of Philosophy and Natural Science on the Theory of Evolution

A Seminar Co-Sponsored by the **Kolbe Center for the Study of Creation** and Business Owners Support Services

Presenters: Hugh Owen, Director, Kolbe Center; Pamela Acker, Biologist; & Thomas Seiler, Ph.D., Physics

- What light do Scripture, Tradition, and authoritative Magisterial teachings of the past shed on the origins of man and the universe?
- How does cutting edge natural science judge the theory of evolution?
- How do the answers to these questions relate to the current crisis of faith and morals?
- Bring your questions, find the answers.
